## *For Lent and the Easter Triduum*

### An Adult Lenten Scripture Study

#### Season of Lent:

Through the readings of the season of Lent, we honor the forty days Jesus spent in the desert fasting, praying, giving alms, and offering acts of charity to God. We remember that our life—with its cares and joys—is temporary. Every one of us will one day die and stand before our God. Our actions go before us. Our Lord stands beside us. In Lent, we attempt to become more conscious, to mark and honor the cycles of our lives and to remember that in all we say and do, Christ is in our midst.

#### Medium of Reflection and Study:

Lectionary-Based Gospel Dramas for Lent and the Easter Triduum “breaks open” the Lenten Gospel passages and brings it to life through the uses of a narrated scripted drama, icons, music and faith sharing to reach our hearts anew.
