The Word of the Lord

Discover what kinds of truth the Bible contains and learn how to “hear” the Bible speaking to our hearts and minds.

Description:

The Bible can be like a good and trusted friend we take for granted. We know the friend is loyal, always there to help us, and ready with worthwhile advice. Nevertheless we might avoid going to the friend because we have been absent for too long, we don't feel worthy to approach, or we think our friend will preach at us with do's and don'ts.

This session isn't designed to teach you everything there is to know about the bible. Rather, its purpose is to help give you a sense of scripture as God's word, ready to speak to you in your deepest concerns. This session is meant to help you feel comfortable enough with the Bible that you will be able to approach its pages as you would a good friend.
